### **Ashley Torres Joins NAI Nashville Stanton Group as Senior Property Manager**

**BRENTWOOD, TN – 4 February 2026** – NAI Nashville Stanton Group, a member of the world's premier managed network of commercial real estate firms, announced today that Ashley Torres has joined the firm as Senior Property Manager. In this role, she is responsible for overseeing key commercial assets, including budgeting, capital planning, tenant relations, vendor oversight, and construction coordination.

Ashley brings extensive experience managing office, retail, and industrial properties throughout Middle Tennessee, with a strong background in property operations, financial planning, capital improvements, and portfolio oversight. Known for her steady leadership style and analytical approach, she consistently enhances asset performance while building trusted relationships with owners, tenants, and vendor partners.

#### **About NAI Nashville Stanton Group**

NAI Nashville Stanton Group (NAINSG) is the exclusive Middle Tennessee member of NAI Global, which continues to rank as the largest full-service commercial real estate network in the country. With over 40 years of local experience, NAINSG professionals offer unparalleled local industry market knowledge through commercial brokerage, leasing, development management and property management services.

The NAI Global affiliation provides an integrated network of specialists and a wide range of premier services. NAI brokers are equipped with comprehensive resources including extensive research, marketing materials, and computer technologies, while at the same time maintaining the flexibility that local ownership provides.
